Monthly Newsletter

August 2009

Hello Neighbors!

I hope that everyone has had a great a summer! It is hard to believe that school is right around the corner. On that note, please remember that with the kids going back there will be an increased amount of foot and bike traffic early in the mornings; so let's all watch our speed when we are headed off to work.

We have had some complaints this past month about littering in the neighborhood, particularly up towards the front entrance. I am sure that the majority of these offenders are from outside of the subdivision. However, lets all remind our kids not to leave anything besides their footprints as they walk through the neighborhood!

One last note: There have been several reports of coyotes in the neighborhood this past month. Some of these have occurred in the daylight hours, so please keep an eye on your pets and small children.

As always, if you ever have any comments or concerns, please do not hesitate to call me. My home phone number is (770) 420-3484. Take care, and I will see you around the neighborhood!

Volleyball for Fall

Lees Crossing will start hosting a Sunday afternoon volleyball league. We will start up in mid August after the kids return to school. Tentatively, we will play between 3ish and 6ish and it will run for 6-8 weeks. I'd like to have enough players to make it fun and competitive. We will accept some players from outside our neighborhood so please forward this to your friends. Our social committee will provide food and drinks on occasion during the season. If you are interested or know anyone who may be interested, please email (bgarrett@lovet.org) or call (770-425-8970) Beth Garrett by August 15th. I will also have a sign up sheet at our Lees Crossing Mexican Buffet/Team Trivia event on August 8th.

To all Lee's Crossing Women (and other friends if you wish):

Wonder how to live in a culture that is so driven by wealth and materialism?
Interested in End Times Prophecy and want to know what the Bible says about End Times?

Come and join your neighbors as we participate together in Beth Moore's Daniel Bible study at the clubhouse on Sunday evenings from 6:45 - 8:45. What a great study for what is going on around us right now! This 12 week study is split up into 2-6 week sections. The first 6 weeks talks about how we live victoriously in a world of materialism (and how we teach our kids to). The last 6 weeks talks about what the Bible says about end times prophecy. It is a great entry level study for those who may not have opened a Bible - and it is equally great for seasoned believers. I don't know of a better study that can address both needs.

The first 45 minutes will be in discussion on homework from the week before (homework takes about 1 hour each week) and getting to know one another - the last hour is a video with Beth Moore talking about the subject. You don't need past Bible knowledge to do this study. The workbook is easy to do - whether you have done 100 bible studies or not one. For those of you who are not familiar with Beth Moore's studies, she is very entertaining to watch and these videos are chock full of information. Definitely NOT boring.

In addition to learning about this most interesting book of the Bible, this is a great opportunity to meet other women in our neighborhood and really get to know each other!

We will begin on August 16th at 6:45pm!! There is no cost except for your need to purchase the Beth Moore Daniel study guide which is generally around \$15. Depending on the numbers we have, I might have these available on the 16th for purchase at the clubhouse. Or, you can purchase the guide on your own at Lifeway near Town Center. Please email Cindi Filer if you are interested in participating or to ask questions. We would like to know in advance how many people are coming... We hope you will join us!!!

Pet Looking for Home

Hello! My name is Kudzu. I'm a three-and-half-year-old beagle/basset mix. My human is about to retire to a condominium that doesn't accept children or pets, so I'll be interviewing applicants for a new human. I'm neutered, I am up-to-date with all of my vaccinations, and I'm current on my flea, tick, and heartworm medications. I'm a Capricorn who enjoys long walks and quiet evenings at home. I have a small inheritance which includes an over-sized travel crate and an XXL Dogloo. If you would like to schedule an interview (or see my picture) please call and ask for Mike at 770-423-1635. (I don't answer the phone; it's the opposable digits thing you know.)

TRUE BLUE

We are fortunate to live in a small, school oriented community such as the City of Marietta. MHS sporting events have often been called the "glue" that brings and holds our community together. Joining True Blue is a great way to help support your hometown team, because every dollar goes back into the program. Besides that, members of True Blue Club enjoy the following additional benefits: invitation to the 16th annual BB&T tailgate celebration party catered by Five Guys Burgers on Aug. 28th, a pre-game buffet before each home game in Northcutt Stadium's True Blue Room and Skybox, access to the skybox for "dry viewing " during rainy games, premium parking provided next to the stadium with your sticker for all home games, your name mounted on the True Blue wall on home side of stadium, your name displayed in 2009 Blue Devil football program (subject to publication deadline), your name included on the Blue Devil website, and a nifty MHS Blue Devil decal for your car. All the benefits are fun ways to join this great Marietta City community in support of MHS football, and it only costs \$150 to join. To join visit our website at www.bluedevil-football.com or email any questions to webmaster@bluedevil-football.com or send check to: The Marietta Touchdown Club, PO Box 72, Marietta, 30061.

New this year, on August 1st we will have our first annual football kickoff party, held at The Oakton, the Kennesaw Ave. historic home of Will and Michelle Goodman. At this event we will have BBQ, a silent auction, a raffle, items of interest for sale and lots of fun with fellow Blue Devils! Let's get behind our "Home Team"! Hope to see you there! Thank you and GO BIG BLUE!

I Recommend.....

Bill and Irene Dickman recommend another neighbor, Armand Fernandes (770-422-4116) for lawn cutting, trimming and brush removal. He did a fantastic job for us on our project at a bargain price too.

Gordon Pfeiffer would like to add his voice to the several people in recent months who have recommended **Tony Kabchef** (kabchefpc@bellsouth.net/770-426-7208) for help in resolving PC issues. "Not only did he do what I asked him to do (expand my daughter's laptop disk space), he found and corrected several other problems. His rates are very reasonable and he comes to your home to do the work. I highly recommend him."

Lisa Garver of 1162 Harrowgrove Court would like to recommend "**BodyBackBootCamps**" fitness program by Jason Goggans, ISSA CFT, and Owner. This is a FUN way to get in shape, stay active and improve your health. My experience at BodyBack fitness has resulted in lost inches and body fat, increased energy and better sleep. You get a personal trainer, with individual attention, in a group setting with great results and fun to boot! Check out the website for more information at www.BodyBackBootCamps.com or call 404-452-5208. Give it a try...You'll be glad you did!
