President's Message

Summer is in full swing and the pool has been a welcome retreat from the heat for lots of Lee's Crossing families.

The Board would like to offer our congratulations to the Lee's Crossing Cyclone swimmers for their undefeated season. It is impossible to acknowledge all the people that it takes to manage 142 swimmers aged 5-18 for the seven weeks of the swim season. Our thanks go out to Laura Fenton for her work as Coordinator and the four coaches who have worked so hard to make this a great experience for all the swimmers. Thanks as well to all of the parent volunteers who stepped up to run concessions, cook hot dogs and hamburgers, time events, announce events, start events, line up swimmers and make sure they are in the pool when they needed to be...it is truly a group effort to make this such a successful endeavor for our neighborhood. Thanks as well for the patience of our neighbors who endure the early pool closings and parking issues that go with hosting swim meets.

Please have a happy and safe Fourth of July weekend!

Joe Fenton

Mosquito Control

With the onset of summer weather we have begun to see the increase of mosquito activity. This year the threat of an irritating bite resulting in a scratch and welt is replaced by the threat of Zika Virus. Last summer, the Board began paying to have the area around the clubhouse, pool and tennis courts treated for mosquitoes. As a neighborhood we can help control the number of mosquitoes by keeping water from pooling around our properties. Please do all you can to alleviate standing water around your home.

Max Denney, Jacob King, KC Harper and Jessica Harper qualified for the state team. Way to go Cyclones!!!!

Former Cyclone and Marietta High School star swimmer, Tyler Harper, will be swimming in the Olympic trials. His swimming career started as a 5 year old in the Lees Crossing pool. We wish Tyler all the best.

It has been my honor and privilege to serve as coordinator for the last few years. I am stepping down but leaving the team in the very capable hands of Sarah Martin and Betsy Young. This team has a special spirit that I know will continue to be a blessing to our neighborhood.

There are a lot of moving parts to a swim team and the meets. I can't possibly name all the people who have been part of my success as coordinator. If you have been part of the team, please know that I treasure all of you and am deeply appreciative of your help and support. Many thanks to the HOA board of directors for their unwavering support of me and the team. I do want to give one special shout out to Joe Fenton. Without him, our swim blocks would never have made it through each season. He also had endless patience listening to me worry about the weather, would we have enough swimmers out each week, would there be enough volunteers, etc. Joe has been the behind the scene person that made it all work. Thanks to everyone in the Cyclones family. It has been a pleasure to lead this team.

Go Cyclones!!
