## June Newsletter President's Message

The summer is off to a great start!

Everyone I talked to agreed that the pool opening party was one of the best attended. Thanks to the Social Committee for all their hard work, planning and providing refreshments for the event, and for DJ Mark for providing the music.

With the pool, clubhouse, pavilions and tennis courts now in full summer use, I would like to take the opportunity to remind residents of some of the rules that are **required** for use of the common areas:

- The lifeguards are provided by the Association and have the full support of the Board to provide for the safety of residents and visitors at the pool and to provide an atmosphere that is family friendly. Please provide these young men and women the respect they deserve and instruct children to follow the directions of the lifeguards [i.e., weather halts (thirty minutes following the last clap of thunder), no running, keep off starting blocks, adult swim, remove glass containers, etc.] as they work to provide us a safe environment to enjoy.
- No glass containers are permitted in the common areas, including the tennis courts, pavilions, pool and clubhouse. The obvious reason is that these areas are frequented by our bare footed friends and neighbors, and broken glass and bare feet are not a good mix. Please do not bring food or beverages in glass containers to these common areas.
- We provide several garbage cans and recyclable containers for the pool area. Please clean up your area before leaving the pool area to help with the costs and labor required to maintain the cleanliness of the pool area and leave the space ready for the next guest to enjoy.
- Tricia Wilson, our clubhouse manager, will be assisting the lifeguards over the next few weeks to ensure that the pool and other areas are being used by Lee's Crossing residents and their guests. Because there are many new families in our neighborhood, please be patient as we get to know our new friends.

While we were anticipating having the new water feature available for the opening of the pool, a combination of permitting issues and an issue with the drainage when the feature was tested has delayed the project. We are working with the contractor to resolve the few remaining issues and look forward to having this new amenity open soon.

Please enjoy a happy and safe summer.

Joe Fenton
