October 2012

Dear Neighbors,

I hope this letter finds you and your family is doing well.

As you may have noticed, there has been a lot of police presence monitoring traffic at the front of the neighborhood. At the last Board meeting we had another discussion about resident safety and speeding traffic through the neighborhood. We have arranged for a Town Hall meeting with Griff Chalfant (our city councilman), the Marietta Police Commander for Lee's Crossing and the Marietta City Engineer on October 9, at 7:00 PM at the Clubhouse. We invite you to attend this meeting for a discussion about this situation and what might be done to reduce speeding in the neighborhood. Speeders are not only from inside the neighborhood, but from outside where they are beyond the reach of any communication the Board can provide.

After this Town Hall meeting was arranged, I hate to report that there was a single car accident on Sep 26th coming down the hill at the stop sign on Lee's Trace and Chestnut Hill Circle. A young man lost control of his vehicle, crossed over two front yards and crashed into a tree. It was reported to me that the young man was shaken up pretty badly with possible broken ribs. I have not heard any more about who the young man is or his condition, but we hope his injuries are not too serious. The car was heavily damaged if not totaled. There are young boys that play in the front yard of this home, and luckily they were not out there the day of the accident.

This kind of accident is what we have been hoping to prevent with the warnings in the newsletter. We know that the messages are not getting to everyone, but we hope people are discussing this with neighbors. I know many residents along Lee's Trace and Trailwood are talking because of their communications back to the Board. These residents are witness to endless speeding in front of their homes. I hope we have a good turnout for the Town Hall meeting and have a constructive discussion about what options we have to resolve this problem.

On another note, I want to share with you what happened with the lightning strike we had back in August that took out a tree by the clubhouse and damaged the well pump, sprinkler controls and wiring to a bank of tennis court lights. One of our life guards was close to the strike and was knocked down but not injured. The strike was from a storm with infrequent lightning and not overhead. Even though the pool is closed for the season, keep this in mind for next season when the lifeguards have swimmers get out of the pool even if lightning/thunder seems far off. All of the damage has been repaired, including replacing the tree. Our claim with the insurance company has covered this expense with the exception of our deductible.

Don't hesitate to contact me or any Board member for concerns or questions. You can also send a note to Leescrossing@comcast.net for questions you may have.

Hunting and Firearms in Georgia

Did you know that to hunt unsupervised in Georgia you must have passed the Georgia Hunter Safety course, which is required to buy a license? That course, taught by state-certified instructors, will be offered free, at our Clubhouse, in August and October of this year.

Stressing firearm safety, this highly successful course will be offered as a two-night session taught by instructors, and a one-night session preceded by the student completing an on-line course. Both types include the Final Exam, proctored by the Instructors. No functional firearms will be present, and the course is an excellent Firearms Safety course, whether you ever intend to hunt or not.

You must pre-register – The class, which is open to all, has limited seating. Go on the Internet to: <http://georgiawildlife.dnr.state.ga.us> for details and free registration. The student will be asked for their SSAN, to be entered in the State's secure database. If further details are desired, contact Ken Lowman at 770-426-8255.

Clubhouse Rentals

If you have any questions or need to book the clubhouse, please call or e-mail Tricia Wilson at 770-428-8144 or triciaww@mindspring.com. In an effort to keep our Clubhouse clean and in the best condition, the rental deposit has increased to **\$250**. However, if you return the clubhouse after rental in its best condition, the entire deposit will be returned.
