October 2014

Dear Lee's Crossing Neighbors,

It is hard to imagine sometimes that our neighborhood is more than 35 years old, with the first homes being sold in the late 1970's and the last new homes in the 1990's. We have a great diversity of ages in the neighborhood with many new young families, many middle aged families and even a few centenarians.

Turnover in neighborhoods such as ours usually is 5% to 10% per year. We all have houses on our streets that have had 4 or 5 owners. Likewise, we all know longtime residents that have witnessed and influenced the history of Lee's Crossing.

My wife and I have been residents of Lee's Crossing since 1982, and it has been our privilege to know Gordon and Beth Pfeiffer since they moved into the neighborhood in 1988. Beth retired last May as the school nurse at Burruss Elementary, and Gordon is retiring in January after a 32 year career with Colonial Pipeline. Sadly for us, Beth and Gordon intend to enjoy their retirement in the Villages in central Florida and plan to move from Lee's Crossing in February. Their contributions to our neighborhood have been enormous, and I decided to use this pulpit to document what might otherwise be unknown to many of our residents.

Gordon served as treasurer of the Association from 1995 to 2003. He has kept the books, collected assessments and maintained our directory of residents from 2004 to the present. Gordon manages the landscape sprinkler systems for both the club and the front entrance and has a truly paternal interest in the coke machine. Gordon also manages our wi-fi and phone systems. While a very talented golfer, he was also a captain of the Lee's Crossing men's ALTA tennis team for 9 years.

Beth has been a pediatric nurse for 34 years, the last 10 of which were at Burruss Elementary, taking care of many Lee's Crossing's children. Beth was also a participant in our ALTA teams, playing both women's and mixed teams in the early years. Beth and Gordon have two children who were born and raised in Lee's Crossing. Both children were long time members (10+ years) of our swim team, both served as lifeguards at Lee's Crossing and both worked with the dollar on the door campaign for a number of years.

I know it will be difficult to replace what the Pfeiffer family does for this neighborhood. I hope you will join me in the next few months in expressing to them our gratitude for their service, their counsel and their friendship.

Sincerely,
Walter Walker
President
