President's Letter

Dear Neighbors,

I hope you are enjoying this cooler weather as we welcome fall.

A neighbor graciously made the neighborhood 2 little libraries. We will be installing them in the next few weeks. One will be located at the front of neighborhood near the Burruss hill and one will be located near the club house. For those not familiar with little libraries, I have included a link with more information. <https://littlefreelibrary.org/>

We had a great pool season and with the warmer weather we were able to have the pool open during Fall Break. Pool was officially closed for the season on October 1st.

Please mark your calendars for our annual Oktoberfest being held on Sunday, October 15th from 4 -7 pm. We hope to see you all there!

Please feel free to contact with me with any questions or concerns.

Thanks,

Melissa

Watering Restrictions Eased

The Georgia Environmental Protection Division has eased outdoor watering restrictions after several months of above average rainfall. Drought response levels have been reduced to level 1 which eases outdoor watering restrictions

The consistent and significant rainfall this spring and summer has replenished stream flows and reservoir levels in the Lake Lanier/ Chattahoochee River system. The abundant rainfall has finally reached a level to compensate for last year's extreme rain deficit. Drought response levels have been reduced to level 1 which eases outdoor watering restrictions. Outdoor watering may resume to daily use but landscape watering should still be limited to the hours between 4 pm at to 10 am. Watering only during these hours minimizes water waste due to evaporation. Thank you for your support during the months of the drought and for making Marietta great!
